A Little Warrior's Wish

Marky's wish to have his own Army Jeep

Nicknamed "Little Warrior" from the nurses at Primary Children's Medical Center, Marky, whose dream is to be a soldier, is a real fighter. He is one of 18 people since 1925 to be diagnosed with idiopathic sclerosing mesenteritis, a rare, auto immune disorder.

Marky's whole life has been touched by men who have served our country. His closest role models—his dad, grandpa and uncle—have all served in the U.S. Military. So it was no surprise when Marky declared a wish to be a soldier—and have a real Army jeep that he could play on in his back yard.

Marky's wish granters wanted the delivery of his Army jeep to be a surprise, so his family was sent to breakfast while his new back yard battleground was assembled. When Marky arrived home, he was shocked to see his wish, an unbelievable restored World War II Army jeep and fortress, complete with sand bags, nets, wooden guns and bunkers for the best army play the imagination can deliver.

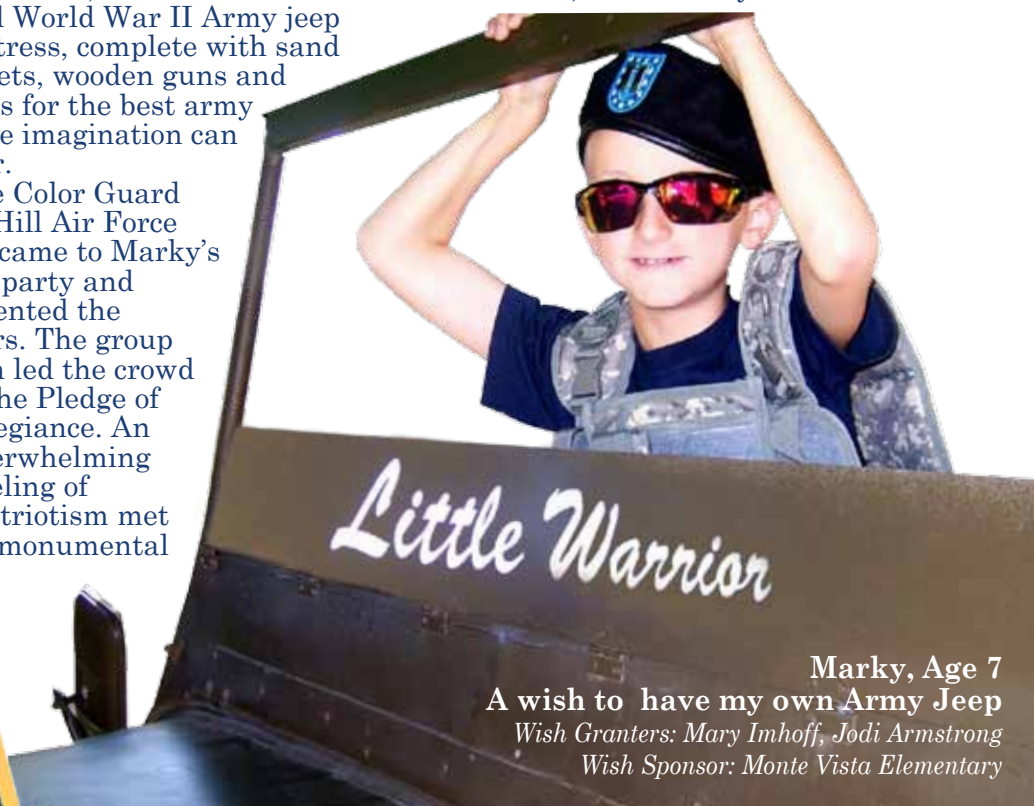

The Color Guard from Hill Air Force Base came to Marky's wish party and presented the colors. The group then led the crowd in the Pledge of Allegiance. An overwhelming feeling of patriotism met a monumental

dream when Capt. Adamson had Marky sign an oath, making him an honorary member of the U.S. Military. Adamson then presented Marky with his bronze star, a medal given to soldiers who have fought in combat, awarding Marky for the tenacity that he has shown while fighting his illness.

Over 100 soldiers from the military attended Marky's wish party, supplying crates of play war gifts, like wooden grenades. Marky was also given an Army uniform, complete with a beret.

Marky had an unforgettable day, and spends most of his time playing war like any other care-free boy.

"For us to see Marky having fun—that element of joy—wipes out all the sorrow and pain we have been going through the last few months. Marky's wish day helped, it was a day of happiness, a diversion that was welcomed," said Marky's mom.

A Message From Our CEO

We are nearing the end of our 25th Anniversary year now, and turning our eyes to the future. We are grateful to have weathered the worst year of the recession without denying or wait-listing any child who was referred to us. That is always our highest priority, and it gave us our first deficit year in 2009. Nevertheless, we just won the highest rating - four stars - from Charity Navigator (www.charitynavigator.org) a watchdog agency that evaluates charities on fiscal management.

Only about 25% of charities receive this top rating, and only 13% of Make-A-Wish Foundation chapters won it this year. We are proud that we here in Utah were one of them. Navigator looks at the way a charity uses its resources, growing program services rather than curtailing them when the need is high. It wants to see that a charity dedicates a high percentage of its donated dollars to program services, but is also willing to dedicate appropriate resources to good management and sustainable fundraising. It looks for openness and transparency in the way a charity shares data with its stakeholders on its website and in its publicly-shared IRS filings. It requires evidence of stability and sustainability across years, and competent accountable management.

The fiscal challenges will continue for some time. We do not expect to have an easy year ahead. But we are resolved that, with your help, no child who ever comes to us with the hope and expectation of a wish will ever leave us disappointed. Thank you for your support, in good times and in bad.

1990

Emma's wish to be a model

Emma was 15 when cancer appeared in the lining of her heart. Treatment was hard, but wishing to be a model gave her a powerful reason to fight through chemotherapy. She became a five year survivor, succumbing eventually to a different cancer caused by her treatment.

1994

Jami's wish to be a spokesperson for Make-A-Wish

Jami was 13 when she underwent treatment for bone cancer in her leg. Her wish to be a spokesperson for the Foundation led her to speaking invitations all across the country. Today she is a tv reporter and lives with her husband and son in Cedar Rapids, Iowa.

1995

Ryan's wish to go on a shopping spree

Ryan's heart failed just a few days after his 5th birthday; two transplants provided 18½ more years of life. At 23, when his second transplant began to fail, he removed himself from the donor registry in honor of the two great gifts of life he had already received.

Special Thanks to our 25th Anniversary Sponsors

Paul's wish for a safe backyard

Paul was seven-years old when he underwent treatment for a brain tumor, which left him legally blind. His wish for a safe backyard rid his play area of pot holes and crumbling concrete. Paul is now in 6th grade. He still loves his wish and often hosts parties there.

2007

Ryker's wish to meet the Utah Blaze

Ryker battled a form of brain cancer for which there was no cure. His wish to meet the Utah Blaze turned into a whole day of activities with the entire team, including lunch and a movie. They asked him to participate in the first home game coin toss of the season, but he passed away shortly before it.

Refer a Child to Make-A-Wish®

If you know a child age 2 1/2 - 18, with a life-threatening medical condition who might qualify for a wish, please make sure the family is informed of our services. We want every child who struggles with the limitations and challenges of serious illness to have the magical opportunity to make a heartfelt wish.

Send an email to referrals@utah.wish.org to make your referral today.

Donate Miles to Wish Kids

Because many wishes involve air travel, donating your airline miles is a great way to help grant wishes. To donate, download a form at utah.wish.org.

Become a Volunteer

Our next new volunteer training is November 13 at *A Wishing Place*. Contact Christine McAtee, Director of Community Outreach, at (801) 262-WISH or visit utah.wish.org for more information about how you can become a Make-A-Wish volunteer.

Rubber Ducky Derby

After training all summer long, over 13,000 sponsored rubber duckies raced around the lazy river at the beautiful Lindon Aquatics Center on August 21st, in celebration of our 22nd annual Rubber Ducky Derby. We had many special guests join us; including Hans Olsen from 1280 the Zone, Miss Utah Christina Lowe, mascots from local sports teams, and lots of wish families. The lucky ducky that won the race was sponsored by Wayne Webster, who got to take home the grand prize – a \$15,000 credit to any Mark Miller dealership.

Hundreds of wish families joined in the fun by cheering on the duckies and participating in the Wish Family Reunion. Wish kids celebrated our theme, “A Pirates Life for Me” with pirate themed games and entertainment. For the fourth year in a row, Subway provided a delicious lunch for our wish families, volunteers, and staff.

The event raised over \$68,000! A special thank you to our sponsors: Mark Miller Auto Group, Subway, and the Lindon Aquatics Center, our event chairs Kristen Thomas and Justin Pater, the Rubber Ducky Derby committee, and all the other volunteers and supporters that worked so hard on this event and sponsored duckies.

Golfing Fore Wishes

Our 8th annual Golfing Fore Wishes tournament was held on Monday, September 20th at the Thanksgiving Point Golf Club. We are excited to announce that this great event raised over \$43,000! Over 100 golfers were treated to a variety of fun contests on the course and had the chance to meet some of our amazing wish kids! Emcee Wesley Ruff of ABC 4 Sports hosted the awards banquet that was catered by Texas Roadhouse and Paradise Bakery. We would like to thank our Anniversary Sponsors, Basic Research and SendOutCards, as well as our Magic Maker sponsor, Primary Residential Mortgage, for playing such a huge role in the success of this tournament. We'd also like to thank our event chair, Michelle Goossen, all our golfers, vendors, hole sponsors, and wish kids for their support of our tournament; it was a fantastic event!

2011 Event Preview

We are really excited about what's to come in 2011! We will see the return of some of our longtime favorite events, as well as some new events, including a women's only cycling event next fall! We encourage you to keep checking our website, www.utah.wish.org, or email us at events@utah.wish.org for more details on each one of our great events.

Volunteer Spotlights

Kimberley Tanner–Wish Magician

Guests of our 25th Anniversary Gala will never forget how beautiful the evening was and that is largely due to the creativity and hard work of Kimberley Tanner, the sub-committee chair over decorations.

Kimberley also serves on the Rubber Ducky Derby committee and is always one of our highest ducky sellers.

Doug Long–Wish Magician

Over the past two years, Doug has done a fantastic job on both the Rubber Ducky Derby committee and the Golfing Fore Wishes committee. Macy's has personally requested his assistance with their events because he is so wonderful!

Gloria Earl–Wish Assistant

Gloria sets an extreme example of professionalism as a front desk volunteer. She comes in early if we need extra help, always makes sure the front desk looks neat and stays until projects are complete.

Our office wouldn't be the same without her.

Steve Havertz–Wish Ambassador

No matter the assignment, Steve does it with a smile. He has made appearances on Park City TV, in front of our Board, and at school assemblies. He shares our mission with everyone he meets and has helped local youth to raise more than \$7,500 for the Foundation.

Scott and Alisa Larsen–Wish Ambassadors

The Larsens are quick to volunteer for all sorts of ambassador opportunities. They have represented the Foundation at a car show in Heber, made an appearance at Cold Stone, and shared their personal wish story in local schools. We hope to have them around for a very long time!

Joyce Smith and Ann Harbertson–Wish Granters

Joyce and Ann are always willing and anxious to take on new wish assignments. They are friendly and sincere in working with their wish kids and families. They are prompt in everything they do, but also very creative. The wishes they grant are picture perfect and we could not ask for anything more.

Wish Family Activities

Pilot for a Day: Eight wish kids with an interest in aviation had the opportunity to become a Pilot for a Day at Hill Air Force Base.

Easter Egg Hunt:

Wish kids and their families participated in this year's annual Easter Egg Hunt.

Princess Party: Junior Miss contestants and wish kids dressed as princesses, enjoyed an elegant tea party and dancing at *A Wishing Place*.

Halloween: Wish kids dress up and attend our annual Halloween Trick or Treat held at *A Wishing Place*.

The Polar Express: Many wish families enjoyed meeting Ronald McDonald for lunch before heading to the Polar Express courtesy of KBER 101.

Make-A-Wish gifts became a tradition at Things Remembered in 1997 when wish child Elysia wished to give her family and friends personalized ornaments.

Shoppers can help make wishes like Elysia's come true all year long by purchasing these exclusive gifts to benefit the Foundation. For every purchase, Things Remembered will donate \$2 to the Make-A-Wish Foundation. To date, Things Remembered has raised nearly \$6 million for the Foundation, touching the lives of more than 830 wish kids.

To find a location near you, visit thingsremembered.com.

Each Eden's Angels piece in the collection features a hand-carved appearance and is hand-painted in a soft pastel palette with a wash finish. Eden's Angels™ has developed special sculptures dedicated to the Make-A-Wish Foundation, the "Joy" and "Strength" angels. The "Joy" angel features a child and mother embracing a star. The "Strength" angel features a family with a child holding a star-shaped balloon. All angels in the collection make great gifts for any occasion.

To symbolize the collection's dedication, Eden's Angels™ will donate \$2.50 of the wholesale price from the specially designed "Joy" and "Strength" angels to the Make-A-Wish Foundation. For all other pieces in the Eden's Angels™ collection, a donation from 20 cents to 55 cents of the wholesale price will be made.

To find an Eden's Angels retailer near you, please visit <http://www.edensangels.com/finder.php>.

What one family is doing this holiday season

Several years ago, at Christmas time, we decided as a family to do a service project. We wanted to help people in need and at the same time teach the younger members of the family how good it feels to do something nice for others. It was an opportunity to give of ourselves, not

just receive at this very special time of year. We have worked on one kind of service or another each year since.

Inspired by a children's book called *Penny's Family Christmas Jar Miracle*, we made the decision to create "Christmas Jars" of our own this year. We all received a copy of *Penny's Christmas Jar Miracle* and a Christmas jar, and began collecting spare change all year.

Many years ago our family was touched by the Make-A-Wish Foundation when one of our own became a "wish kid." A wonderful trip to New York City was made possible by other families looking for a way to serve. What better way for us to serve, than to give back to the Make-A-Wish Foundation for Christmas this year.

-Deb Parr, Wish Mom

Ways you can share the power of a wish® during this holiday season:

Make a donation to the Make-A-Wish Foundation in honor of your family, friends or clients this holiday season. For each \$10.00 donation received, you will receive a tribute card to share with those you've honored.

In honor of 25 years of granting magical wishes, make a special holiday gift that will help ensure another 25 years of granting wishes of local deserving children. Whether you give \$25, or \$2,500 a special anniversary gift is a wonderful way to share the joy of holiday giving with wish kids.

To sponsor a wish, or host a local event this holiday season, e-mail giving@utah.wish.org.

Kids For Wish Kids®

Looking for a creative fundraising project that will allow the students in your child's school to make a difference? Contact Krachel Greenwood to find out how you can make wishes come true for wish kids! Kids For Wish Kids is a program that encourages children to help those closest to them: classmates, friends, or other kids in the community around them with life-threatening medical conditions. With the support of teachers, advisors, and school staff, the kids raise funds in their schools or communities.

Last year students from 32 different schools and youth groups around the state participated in the Kids For Wish Kids program. Together, they raised over \$87,000. That's enough money to fully fund 17 wishes! For more information or to receive a free informational DVD, contact Krachel Greenwood at (801) 262-WISH or kgreenwood@utah.wish.org.

Phuong and Erin of Hillcrest High School single-handedly raised \$5,000 to help make Tanner's wish come true.

For each Thanks for Sharing enrollment fee of \$25 charged to a Macy's card, Macy's will donate \$10, up to a total of \$15 million, to the Make-A-Wish Foundation and other charities.

In return, Macy's cardholders will accumulate rewards equal to 10% of most of their Macy's card purchases through Dec 31, 2010. To learn more, visit www.macys.com/thanks.

Beginning in November, Macy's will invite customers of all ages to deposit their letters to Santa in the Santa Mailbox in every Macy's store, and for every letter received, Macy's will donate \$1 (up to \$1 million) to the Make-A-Wish Foundation.

Matching Gifts

Many employers will match donations you make to your favorite charity. Some even have special incentive programs if you volunteer at your charity of choice. Check with your employer today.

Favorites Cookbook

The Favorites cookbook is an amazing collection of tried-and-true recipes collected

over the years by the Ivory family. This extremely popular cookbook makes a great gift. It is available at our office for \$25.

Workplace Giving

You may designate your United Way gift in ANY United Way Campaign to the Make-A-Wish Foundation of Utah, and your donor-designated gift will be passed on to us intact, with no administrative costs taken out. Even if we are not listed as a direct United Way charity in campaign literature, we are fully qualified and can receive any designated gift from any donor.

If you are a federal employee, you may designate your gift to us during the CFC campaign. Just choose the Make-A-Wish Foundation of Utah under the number 51262 in your campaign booklet.

DisneyHand

Disney® is proud to be a long-time supporter of the Make-A-Wish Foundation and uses its magic to grant the wishes of children with life-threatening medical conditions. Over the past 30 years, Disney has supported the Make-A-Wish mission, contributing more than \$7 million in cash and in-kind donations each year. With more than 7,000 wishes granted every year – including visits to the Disney Parks, Disney Cruises, meeting Disney Characters, attending sporting events and visiting TV and movie sets – Disney-themed wishes continue to be the most popular requests by children to the Make-A-Wish Foundation.

Wishbone Donors

5 Ways to Remember the Make-A-Wish Foundation of Utah in Your Will

In the current recession, many faithful donors are finding it difficult to donate to the charities they have supported for many years. There is sadness for many in that hesitation. But there is also a giving solution that makes sense in times like this.

A gift in your will, expressed in a simple sentence or two, offers an opportunity to continue to make a difference in the life of a child. It costs nothing. You can change your mind at any time. And your estate is entitled to an estate tax charitable deduction for the gift's full value.

Here are some popular ways to create a bequest.

- 1. Unrestricted bequest.** By making an unrestricted gift of a given sum of money or other asset, you allow the Foundation to grant wishes for Utah children immediately.
- 2. Percentage or remainder.** You may choose to leave Make-A-Wish Foundation of Utah a percentage of your estate or the balance remaining after bequests are distributed to your other heirs.
- 3. Trust for spouse.** In your will, you may want to place some or all of the remainder of your estate in a "QTIP" trust for the benefit of your spouse. After your spouse's death, all or part of the trust remainder can be distributed to the Make-A-Wish Foundation of Utah.
- 4. Life income plans.** Establish a charitable remainder trust in your will, which pays an income to your beneficiaries for life or a term of years. After that, the remainder is given to the Make-A-Wish Foundation of Utah. Aside from benefiting a charity, life income plans provide major estate tax savings of benefit to your heirs.
- 5. Memorial fund.** You can establish a permanent memorial fund through your will and specify how Make-A-Wish Foundation of Utah we should forever use the income. The fund can be established in your name or in memory of a loved one.

A CHILD'S WISH
IS WAITING.
YOU CAN HELP
MAKE IT COME TRUE.

Every 40 minutes, the Make-A-Wish Foundation® grants the wish of a child with a life-threatening medical condition. You can help make wishes happen by naming the Make-A-Wish Foundation of Utah as a beneficiary of your estate. Find out more about our Legacy of Wishes™ recognition society at utah.wish.org.
